## L-bracket for horizontal mounting

To simplify the mounting process of LED illuminators within any machine vision system, Opto Engineering® offers a series of brackets designed for positioning lights below, above or around the optics.

### SPECIFICATIONS

#### Mechanical specifications

|                             |      |           |
|-----------------------------|------|-----------|
| Length                      | (mm) | 51.0      |
| Width                       | (mm) | 40.0      |
| Height                      | (mm) | 51.0      |
| Fixing holes                | (mm) | 3X Ø 6.50 |
| Number of included brackets |      | 2X        |
| Mass                        | (g)  | 70        |

### COMPATIBILITY

This products is compatible with:

- LTBC series (4 brackets required for LTBC114114-x, LTBC174174-x, LTBC234234-x)

### COMPATIBLE PRODUCTS
